

Welcome to our school!

This is what St Charles RC Primary School looks like from the outside.

This is the gate you enter the school through.

Every morning before school starts you come into the main playground...

And wait for your teacher in a line with the rest of your class.

Everyone puts their coats and bag on their peg in the corridor.

This is Miss Ayton. She will be your teacher if you are in RA.

Here are some pictures of inside the RA classroom!

This is Mrs Harwood. She will be your teacher if you are in RH.

Here are some pictures of the inside of RH's classroom!

Both RA and RH share an outside classroom.

You will go to the main playground for lunch break and afternoon play.

The toilets are down the corridor. Girls are on the left hand side and boys are on the right hand side.

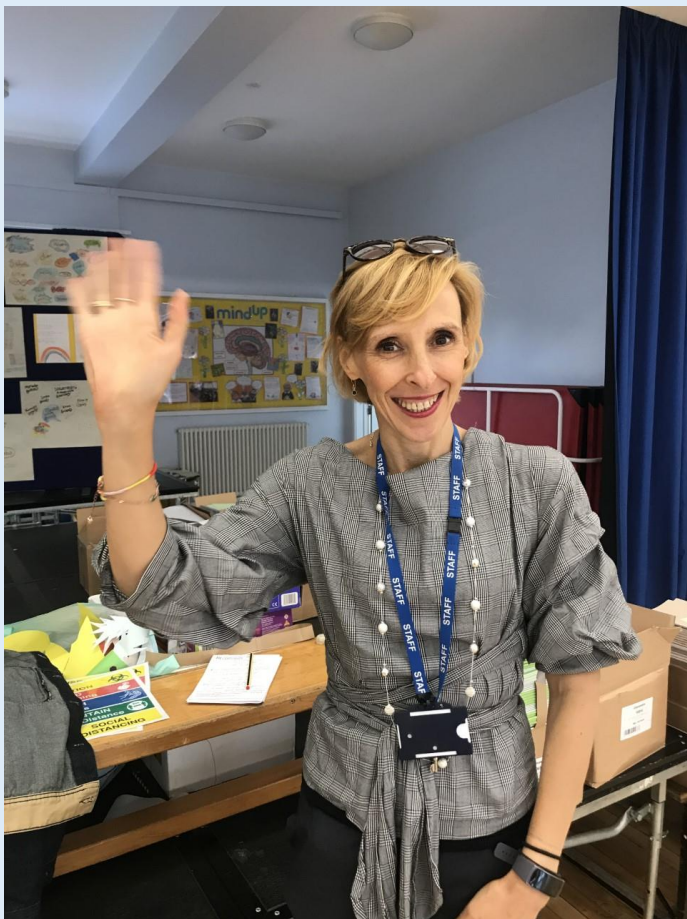

This is the dining hall where you will eat your lunch.
